RE: UPCOMING CONSTRUCTION WORKS. INSTALLATION OF CHAIN LINK FENCE.

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the upcoming construction works in your area.

We are currently preparing to install the permanent 1.8 metres high, non-climbable chain link fence approximately one metre off the property line you share with the Parkway. The entire boundary fence will be on the Parkway property. The anticipated date for starting these works is next Monday, July 15, 2013.

We ask that you ensure that all of your possessions are on your property and not in the way of where the fence is to go. Any items that remain on Parkway property will be moved by those installing the fence.

Should you have any questions or concerns please contact Cindy Prince, Communications Manager Parkway Infrastructure Constructors, at 226-252-0156 or via e-mail at cprince@triamico.com and we will meet with you.

We appreciate your cooperation during this time.

Yours truly,

Parkway Infrastructure Constructors
