**RE: CONSTRUCTION OF FISH COMPENSATION POND BETWEEN HURON CHURCH LINE AND TODD LANE**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

Please be advised that the construction of the Fish Compensation Pond between Huron Church Line and Todd Lane is required as a permanent element of the Rt. Hon. Herb Gray Parkway. The construction of the Fish Compensation Ponds along the Parkway is part of the plan to re-instate and increase fish habitat lost as part of the construction works.

The installation of the perimeter fence is currently being installed, and the excavation of the pond is expected to start in the next couple of weeks. The excavation and grading of the pond will take approximately one month. Afterwards, topsoil and an erosion control measures will be installed, and the area seeded with temporary cover crop. The anticipated date for the final landscaping to be completed in this area is spring 2014; exact start date is weather dependent.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-937-5929 or via e-mail at [hgp-plo@wemg.ca](mailto:hgp-plo@wemg.ca). Every effort will be made to reduce inconvenience to residents.

Yours truly,

**PARKWAY INFRASTRUCTURE CONSTRUCTORS**
