**RE: UPCOMING CONSTRUCTION ACTIVITY- GIRDER REMOVAL  
LABELLE TUNNEL (T-2)**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the upcoming construction works in your area.

First phase of girder removal at the Labelle Tunnel (T-2), located in Bethlehem Avenue area occurred earlier this year.

Weather permitting, the removal of the remaining girders and the concrete deck at Labelle Tunnel (T-2) will start next week for approximately twelve weeks. All work will proceed in accordance with municipal noise by-laws.

Every effort will be made to limit noise, dust and impacts on traffic.

Please be advised that the scheduling of all construction activities, including these works, may be affected by adverse weather conditions, labour disruptions or any other unforeseen conditions.

Should you have any questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-937-5929 or via e-mail at [hgp-plo@wemg.ca](mailto:hgp-plo@wemg.ca).

We appreciate your cooperation during this time.

Yours truly,

**Parkway Infrastructure Constructors**
