**RE: INSTALLATION OF TOWER CRANE. DAYTONA AVENUE AND MARGURIET STREET INTERSECTION.**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

Please be advised that a tower crane will be installed near the intersection of Daytona Avenue and Marguriet Street on the Parkway lands. This crane will be installed in the upcoming days, and will be working on the construction of the inlet structure of the Lennon Drain Siphon for four months approximately. Loads will be moved over the Parkway lands only, and will not swing any material over privately owned property.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-937-5929 or via e-mail at [hgp-plo@wemg.ca](mailto:hgp-plo@wemg.ca). Every effort will be made to reduce inconvenience to residents.

Yours truly,

**PARKWAY INFRASTRUCTURE CONSTRUCTORS**
