**RE: CONSTRUCTION WORKS.  
REMOVAL OF TEMPORARY NOISE WALL AND INSTALLATION OF THE  
PERMANENT ONE**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

The noise wall installed between Grand Marais Road and Pulford Street was put in place to address noise during the temporary conditions created by construction of the Parkway. This temporary wall will be replaced with panels that are consistent with the look of the rest of the walls throughout the project early next year. Also, please be advised that traffic will be moving below grade in the future.

As the drawing in the next page depicts, the lay-out of the permanent noise wall will be slightly different; therefore, approximately 60 metres of the temporary wall will be removed in the upcoming weeks before the permanent one is installed.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-937-5929 or via e-mail at [hgp-plo@wemg.ca](mailto:hgp-plo@wemg.ca). Every effort will be made to reduce inconvenience to residents.

Yours truly,

**PARKWAY INFRASTRUCTURE CONSTRUCTORS**
