**RE: ONGOING CONSTRUCTION WORKS
UTILITIES INSTALLATION, CABANA ROAD.**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Rt. Hon. Herb Gray Parkway construction activities, we are writing to inform you of the ongoing works scheduled in your area.

The installation of underground duct banks for future utility crossing as part of the Parkway started last week in your area. Although it was initially thought that this work could be completed early this week, underground challenges have lengthened the duration of the works. The anticipated date now to finish these works in your area is next Wednesday, October 2, 2013. We are very sorry for the inconvenience.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 11-877-937-5929 or via e-mail at hgp-plo@wemg.ca. Every effort will be made to reduce inconvenience to residents.

Yours truly,

PARKWAY INFRASTRUCTURE CONSTRUCTORS
