Invitation to attend Parkway Community Meeting

Dear Property Owner:

The Ministry of Transportation (MTO), the Windsor Essex Mobility Group (WEMG) and Parkway Infrastructure Constructors (PIC) invite you to attend a meeting for your community regarding the Rt. Hon. Herb Gray Parkway (the Parkway). The purpose of the meeting is, on a neighbourhood basis, to present final information on Parkway landscaping in advance of a Public Information Open House to be held in December.

The information to be presented on each meeting will be specific to your neighbourhood and will cover the follow topics:

- noise barriers – walls, berms, height, location, proximity to private properties, limits, timing for installation
- trail bridges and pedestrian tunnels – location, connections, aesthetics in the context of the Carolinian landscape, screening, safety, ground-level perspective
- trails – locations, access points, proximity to private property, connections to existing community trails, signage
- adjacent plantings
- results of consultation to date.

These Community Meetings are being held at the Macedonian Community Centre at 5225 Howard Avenue. They will begin at 6:30 p.m. with a general presentation and then attendees will be broken into groups based on geographic location. It is anticipated that the meetings will conclude by 8:00 p.m.

The meeting schedule is as follows:

- **Monday, November 25, 2013, at 6:30 p.m. for residents at Homestead Lane/Hearthwood Place, Villa Paradiso Crescent and St. Clair/Betts.**
- **Tuesday, November 26, 2013, at 6:30 p.m. for residents at Villa Borghese, Spring Garden Road and Lambton Road.**

Information available for viewing will include cross sections, drawings and roll plans to better describe placement of noise barriers and landscaping elements (including trails and pedestrian bridges).

Please RSVP at cprince@triamico.com or contact by telephone at 519-737-1577 Ext. 286. If you have any questions or concerns please contact the Public Liaison Office at 1-877-937-5929 or via e-mail at hgp-plo@wemg.ca.

Yours very truly,
