RE: DROP-IN INFORMATION SESSION FOR RESIDENTS IN THE AREA OF CHAPPUS STREET

Dear Resident:

Further to the letter you received on February 9, 2015, the Ministry of Transportation (MTO) is continuing to work with the City of Windsor to develop and implement a fencing plan to protect the ecologically sensitive areas and restoration sites in the Chappus Street area.

On **Monday, March 9**, the Parkway Environmental Team will hold a drop-in information session at the Ojibway Nature Centre to inform residents about the fence design, fence construction timeline, and pedestrian access locations. The session will also aim to address any questions or concerns you may have regarding the fencing plan or protection of the restoration sites.

The drop-in information session will be held on:

**Monday, March 9, 2015
6:00 p.m. – 8:00 p.m.
Ojibway Nature Centre
5200 Matchette Rd.
Windsor, Ontario**

If you are unable to attend the meeting, and have any questions you may contact MTO at detroit.river@ontario.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Joel Foster".

Joel Foster
Head, Environmental Section
Ontario Ministry of Transportation
