

RT. HON. HERB GRAY PARKWAY HIGHWAY 401 TRAFFIC TO USE ROUNDABOUT

Highway 401 traffic (eastbound and westbound) approaching the intersection of Highway 3 and Howard Avenue will be temporarily shifted into the Parkway multi-lane roundabout during the weekend of **June 6, 2014**, until the completion of the Highway 401 portion of the Parkway later this year. This traffic shift is required to construct the final configuration for Highway 401 and Highway 3 at the east end of the Parkway corridor. Drivers are encouraged to follow all traffic signage in place and follow the roundabout rules of the road to help them safely navigate the Parkway roundabout.

Roundabout Public Education Centre

Tuesday, June 3, 2014

3:00 p.m. - 7:00 p.m.

Macedonian Community Centre

5225 Howard Avenue, Windsor, ON

Presentation Times: 4:00 p.m. and 6:00 p.m.

The Parkway team is hosting a Roundabout Public Education Centre. At this meeting, we will provide information on the operation of roundabouts, provide guidance for proper usage, provide details regarding traffic staging, and answer questions. This is a drop-in style open house, with brief presentations at 4:00 p.m. and 6:00 p.m. Join us to learn more about how to safely navigate the Parkway roundabout.

Quick Tips for Navigating the Parkway Roundabout

- ✓ Slow down as you approach the roundabout.
- ✓ Use the correct lane for your intended destination:
 - use the left lane if your intended exit is to the left
 - use the right lane if your intended exit is the right
 - use either lane if your intended exit is straight through.
- ✓ Traffic entering the roundabout must always yield the right-of-way to traffic in the roundabout.
- ✓ Always travel in a counterclockwise direction.
- ✓ Do not stop, pass large vehicles or change lanes within the roundabout.
- ✓ Use your right-turn signal when exiting the roundabout.

We appreciate your cooperation during this time. Please drive carefully through Parkway construction zones and follow all traffic signing and signals in place.
