

## WINDSOR-ESSEX PARKWAY ACCESS FROM OUTER DRIVE TO HIGHWAY 3

The access from Outer Drive to Highway 3 will be closed beginning on Friday November 2, 2012, at 7:00 a.m. This closure is required to enable the construction of the Outer Drive Connector which will connect Outer Drive with the newly relocated Highway 3 east of Outer Drive. Prior to closing this access, traffic will be diverted to the new roundabout expected to open Monday October 29, 2012. It is expected that access to Highway 3 from Outer Drive will not be possible for approximately one month. During this time a detour route following Highway 3 to Walker Road to Blackacre Drive will provide access to Outer Drive. Outer Drive will remain open.
