

Temporary Closure of Highway 401 between Provincial Road and Highway 3

A portion of the Highway 401 from Provincial Road to Highway 3 will be closed for up to fifty-five consecutive hours during a weekend in fall 2012.

This work will begin following the opening of the modern four-lane roundabout which is a permanent feature of the Windsor-Essex Parkway.

This portion of the Highway 401 will be closed to allow for the demolition of the Highway 3 Bridge over Highway 401. During the closure, the following detours will be in place:

- from Highway 3 to the new roundabout to Walker Road to Highway 401
- from Provincial Road to Highway 401, to Walker Road, to Highway 3.

Following the demolition of the bridge, Highway 3 traffic heading westbound will be diverted to the new roundabout which will replace the function of the bridge. Following the roundabout will carry traffic back onto Highway 3 on the other side of the bridge.

If you have any concerns regarding this closure, please contact or visit the Windsor Essex Mobility Group's Public Liaison Office at 1-877-937-5929, 2187 Huron Church Road Suite 340, or wep-plo@wemg.ca.
