**RE: OVERNIGHT CONSTRUCTION WORKS, HURON CHURCH ROAD,
MONTGOMERY DRIVE, HEARTHWOOD PLACE, AND HURON CHURCH
LINE**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Windsor-Essex Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

Please be advised that low noise night construction is required along Huron Church Road in the Montgomery Drive, Hearthwood Place, and Huron Church Line areas. An example of the work that will occur during night-time hours is the manual placement of rebar. With winter approaching, doing this work at night will help maximize the concrete pours during the day. While the permission for night works is five nights per week from October 1, 2012, through to December 21, 2012, this work will not occur every night. We commit to completing this work as quickly and quietly as possible.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact Cindy Prince at 519-796-6400 or by email at cprince@triamico.com. She will be available to take calls through the night when work is occurring. Every effort will be made to reduce inconvenience to residents.

Yours truly,

PARKWAY INFRASTRUCTURE CONSTRUCTORS
