RE: DIVERSIONS 2 AND 3, HIGHWAY 3 BETWEEN PULFORD STREET AND GRAND MARAIS ROAD WEST AND INTERSECTIONS OF HIGHWAY 3 AND GRAND MARAIS ROAD WEST AND PULFORD STREET UPCOMING OPENING

Dear Resident,

As part of our ongoing commitment to keep residents and business owners updated about ongoing Windsor-Essex Parkway construction activities, we are writing to inform you of the upcoming openings scheduled in your area.

The intersections of Highway 3 and Grand Marais Road West and Highway 3 and Pulford Street, will be opened tomorrow September 21, 2012 weather permitting. With this opening, traffic will now travel on the new Diversion 2, Diversion 3 and the new Highway 3 between these two diversions. A traffic connector between Diversion 1 and Diversion 2 will allow for construction of Tunnel 3 (Grand Marais Tunnel). Paved pedestrian walkways are located on Diversion 1, the connector and Diversion 2 allowing for safe crossing of Huron Church Road.

Please refer to the drawing on the back for more info.

We appreciate your cooperation during this time. Please drive carefully through Parkway construction zones and follow all traffic signing and signals in place. Please visit our project website (www.weparkway.ca) or follow us on Twitter (www.twitter.com/weparkway) for any information regarding road closures. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at wep-plo@wemg.ca.

Yours truly,
Parkway Infrastructure Constructors
