

Landscaping Features at Lambton Road

The Windsor-Essex Parkway provides more than 300 acres of green space with landscaped areas, pedestrian bridges and tunnels and noise barriers. All of these features will work together to showcase how large-scale infrastructure and public uses can co-exist with natural habitat while considering the perspectives of drivers and adjacent residents. The following table describes features of noise barriers and landscaping elements in proximity to Lambton Road.

NOISE BARRIER			LANDSCAPING ELEMENTS	
Noise wall	Earth berm	Combination wall/berm	Pedestrian Bridge	Trails
Yes	Yes	No	Yes	Yes
Provided on southeast end of Grand Marais Tunnel (T-3)	Provided by berm on northwest end of Grand Marais Tunnel (T-3) tunnel top Provided by trail bridge berm on southwest end of Grand Marais Tunnel (T-3)	n/a	Trail Bridge 2 (TB-2) Width: 4m Location: Across Lambton Road west side of Highway 401	Type: Primary Multi-use Trail Material: Asphalt Width: 4m Location: Along west side of Highway 401 across Trail Bridge 2 (TB-2) Connections: Trail Bridge 2 (TB-2), Grand Marais Tunnel (T-3), community

Landscaping

The cross-section on the back of this page depicts the location and features of noise barriers and landscaping elements in proximity to Lambton Road. **NOTE:** An alternate form of pedestrian bridge may be introduced for public consideration. If the project proceeds with any bridge type other than the one shown on these drawings, additional consultation will be undertaken.

In summary, landscaping features depicted in this location include:

- grassland with seasonal wildflowers and low growing grasses atop Grand Marais Tunnel (T-3)
- low growing grasses along Lambton Road edge
- Tallgrass Prairie on trail bridge down slopes
- shrub plantings, Tallgrass Prairie from trail bridge to municipal road edge
- low growing grasses along Fazio Drive road edge
- existing municipal boulevard adjacent to Fazio Drive.

Who can I contact if I have a question or concern?

It is one of the project team's goals to work with the community throughout the construction of this project.

If you have any concerns regarding construction of the Parkway, please contact or visit the Windsor Essex Mobility Group's Public Liaison Office at 1-877-937-5929, 2187 Huron Church Road Suite 340, or wep-plo@wemg.ca.

Please visit www.weparkway.ca to learn more about the Windsor-Essex Parkway. Updates will be posted on Twitter (www.twitter.com/weparkway) and Facebook (www.facebook.com/weparkway) and photos and videos will be posted on Flickr (www.flickr.com/weparkway) and YouTube (www.youtube.com/weparkway).
