**RE: TEMPORARY ROAD CLOSURES- PULFORD STREET AND GRAND MARAIS ROAD WEST**

Dear Resident,

As part of our ongoing commitment to keep residents and business owners updated about ongoing Windsor-Essex Parkway construction activities, we are writing to inform you of the road closures in your area.

A portion of Pulford Street and Grand Marais Road West from Huron Church Road (Highway 3) to Northway Avenue has been closed for the construction of Diversion 2 and 3, new Highway 3 and the installation of underground duct banks for future utility crossings as well as the permanent noise wall. These works are part of the construction requirements for the Windsor-Essex Parkway.

Although it was initially thought that this work could be completed by early September and in advance of the new school year, doing so was not possible. Commencement of the work was initially delayed to ensure that the Cabana Road improvement was complete, open and fully functioning. In addition, once the contractors got below the surface, the complexity of the work required in this area became known. Accordingly, it is now believed that the closure needs to be extended until September 15, 2012.

The constructors are aware that this delay will cause some complications particularly for those families that have children returning to schools located in this general area. We have met with school bus officials to ensure that the detour routes are understood and followed. Also, the individual schools have been made aware of the situation. Please contact them about the best detour route to take.

We appreciate your cooperation during this time. Please drive carefully through Parkway construction zones and follow all traffic signing and signals in place. Please visit our project website ([www.weparkway.ca](http://www.weparkway.ca)) or follow us on Twitter ([www.twitter.com/weparkway](http://www.twitter.com/weparkway)) for any information regarding road closures. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at [wep-plo@wemg.ca](mailto:wep-plo@wemg.ca). Every effort will be made to reduce inconvenience to drivers, residents and the business community.

Yours truly,

**Parkway Infrastructure Constructors**
