**RE: UPCOMING CONSTRUCTION WORKS
TEMPORARY NOISE WALL AND BERM INSTALLATION, SHADETREE COURT**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Windsor-Essex Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

To assist with noise mitigation associated with the soon to be opened diversion, a combination of a temporary noise wall and temporary berm will be put into place. The installation will take place on Tuesday, May 22, 2012 and will take approximately one week to complete. For details regarding the location of the temporary wall and berm, please refer to the reverse side of this page. Please note that construction vehicles will require access to Shadetree during this period to facilitate the installation of the temporary noise wall.

Details relevant to the installation of a permanent noise wall continue to be considered and will be discussed further at a second neighbourhood meeting to be organized in the upcoming months.

We appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at wep-plo@wemg.ca. Every effort will be made to reduce inconvenience to residents.

Yours truly,

PARKWAY INFRASTRUCTURE CONSTRUCTORS
