RE: UPCOMING CONSTRUCTION ACTIVITY- HURON CHURCH LINE

Dear Resident,

As part of our ongoing commitment to keep residents updated regarding Windsor-Essex Parkway construction activities, we are writing to inform you of the upcoming construction works scheduled in your area.

Constructions activities will be taking place overnight on Friday, April 20, 2012 after midnight, so being Saturday, April 21, 2012 between midnight and 5:00 a.m. at the corner of Huron Church Road and Huron Church Line. The Parkway Infrastructure Constructors will be removing a small portion of sidewalk and curb in this area and backfilling in its place. One lane of Huron Church Line will be closed to facilitate these operations.

Please note that specialized equipment, as well a reduction in the amount of equipment utilized will help ensure this is a low noise generating activity.

We appreciate your cooperation during this time. Construction activities are scheduled pending weather conditions. Please visit our project website for any modifications regarding the timing of these works. Should you have any questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at wep-plo@wemg.ca.

Yours truly,

Parkway Infrastructure Constructors
