

WINDSOR-ESSEX PARKWAY RAMP CLOSURE

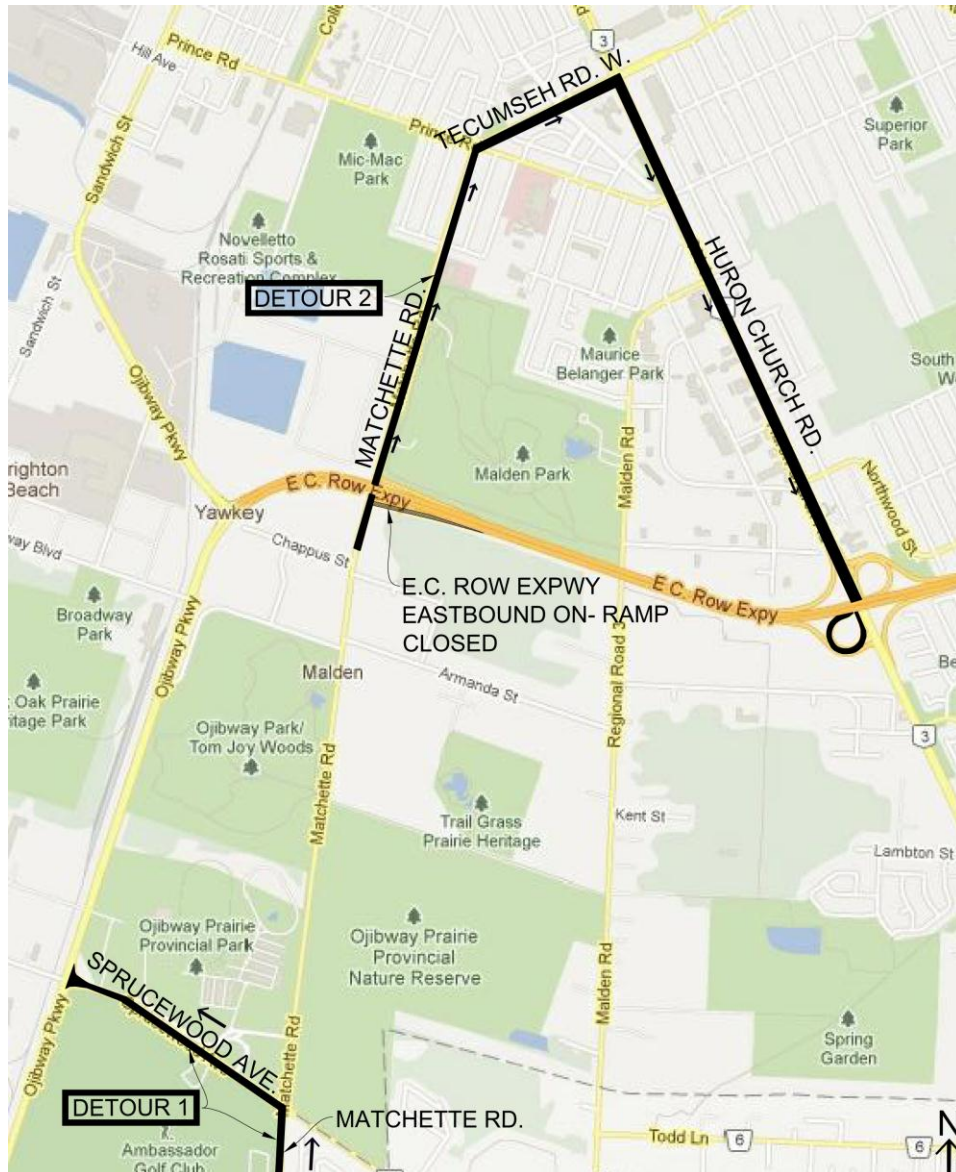

MATCHETTE ROAD EASTBOUND ON-RAMP TO E.C.ROW EXPRESSWAY

The Matchette Road eastbound on-ramp to E.C. Row Expressway will be closed to traffic starting the week of **March 12, 2012**, and will be closed for a period of approximately **two years**.

This closure is required for various construction activities including the installation of wick drains, embankment construction, and construction of a new ramp, bridge and connection to new eastbound collector lanes.

Detour Routes

- Northbound diverted traffic will turn left at Sprucewood Avenue for access to Ojibway Parkway up to E.C. Row Expressway.
- A second detour option for access to E.C. Row Expressway is to take Matchette Road to Tecumseh Road West to Huron Church Road.

We appreciate your cooperation during this time. Detour signage will be in place well in advance of the closure start date. Please check road signs, visit our project website and/or listen to local radio for any modifications regarding the timing of these closures. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at wep-plo@wemg.ca. Every effort will be made to reduce inconvenience to drivers, residents and the business community. For project inquiries, please visit www.weparkway.ca or contact:
