**RE: UPCOMING CONSTRUCTION WORKS
UTILITIES INSTALLATION, HOMESTEAD LANE.**

Dear Resident,

As part of our commitment to keep residents and business owners informed about ongoing Windsor-Essex Parkway construction activities, we are writing to inform you of the upcoming works scheduled in your area.

Utility installation works will take place on Homestead Lane beginning on Monday, December 3, 2012 and will continue for a period of approximately 1 week. Most of these construction works will occur in newly constructed cul-de-sac; however, a connection to the existing transformer, which may impact your property, needs to be done. Due to this connection, your front lawn and driveway may be excavated on Tuesday, December 4, 2012 and Wednesday, December 5, 2012. In this case, someone will notify you before starting working in your driveway.

We sincerely appreciate your cooperation during this time. All construction activities are scheduled pending weather conditions. Should you have questions or concerns please contact the Windsor Essex Mobility Group Public Liaison Office at 1-877-WE-PKWAY (1-877-937-5929) or via e-mail at wep-plo@wemg.ca. Every effort will be made to reduce inconvenience to residents.

Yours truly,

PARKWAY INFRASTRUCTURE CONSTRUCTORS
