

Landscaping Features at Villa Borghese Drive and Huron Church Line

The Windsor-Essex Parkway provides more than 300 acres of green space with landscaped areas, pedestrian bridges and tunnels and noise barriers. All of these features will work together to showcase how large-scale infrastructure and public uses can co-exist with natural habitat while considering the perspectives of drivers and adjacent residents. The following table describes features of noise barriers and landscaping elements in proximity to Villa Borghese Drive and Huron Church Line.

NOISE BARRIER			LANDSCAPING ELEMENTS	
Noise wall	Earth berm	Combination wall/berm	Pedestrian Bridge	Trails
No	Yes	Yes	Yes	Yes
n/a	Trail approach berms provide noise mitigation to south side	Height: 4m Location: North side of Highway 3 near Villa Borghese Drive	Trail Bridge 5 (TB-5) Width: 3m Location: Over Huron Church Line	<p>Type: Primary Multi-use Trail Material: Asphalt Width: 4m Location: North side of Highway 3 Connections: Trail Bridge 4 (TB-4), Villa Borghese Tunnel (T-7), Cabana Road, Daytona Avenue, Marguriet Park</p> <p>Type: Secondary Trail Material: Asphalt Width: 3m Location: South side of Highway 401 Connections: Trail Bridge 5 (TB-5), Todd/Cabana Tunnel (T-6), Villa Borghese Tunnel (T-7), Todd Lane, Huron Church Line, Pond 4</p>

Landscaping

The cross-sections on the back of this page depict the location and features of noise barriers and landscaping elements in proximity to Villa Borghese Drive and Huron Church Line. **NOTE:** An alternate form of pedestrian bridge may be introduced for public consideration. If the project proceeds with any bridge type other than the one shown on this drawing, additional consultation will be undertaken.

In summary, landscaping features depicted in these locations include:

Villa Borghese Drive (North side of Highway 401)

- screening landscape with evergreens, trees, shrubs, and grasses along property line fencing
- Tallgrass Prairie wildflowers and grasses leading to Riparian zone
- river bank or "Riparian zone" with grasses and shrubs along Lennon Drain
- low growing grasses along edge of primary asphalt trail
- salt-tolerant grasses along Highway 3 and Highway 401 roadside zones
- grasses, seasonal wildflowers and tree plantings in the upper area of the Highway 401 embankments
- retaining wall along south side of secondary trail at property line

Huron Church Line (South side of Highway 401)

- grassland with seasonal wildflowers and low growing grasses atop Villa Borghese Tunnel (T-7)
- Oak Savannah grasses, tree planting, and shrubs between secondary asphalt trails (south side)
- trees and grasses on berm beside Huron Church Line cul de sac
- evergreen trees, shrubs, and low growing grasses in the screening landscape buffer beside Huron Church Line cul-de-sac

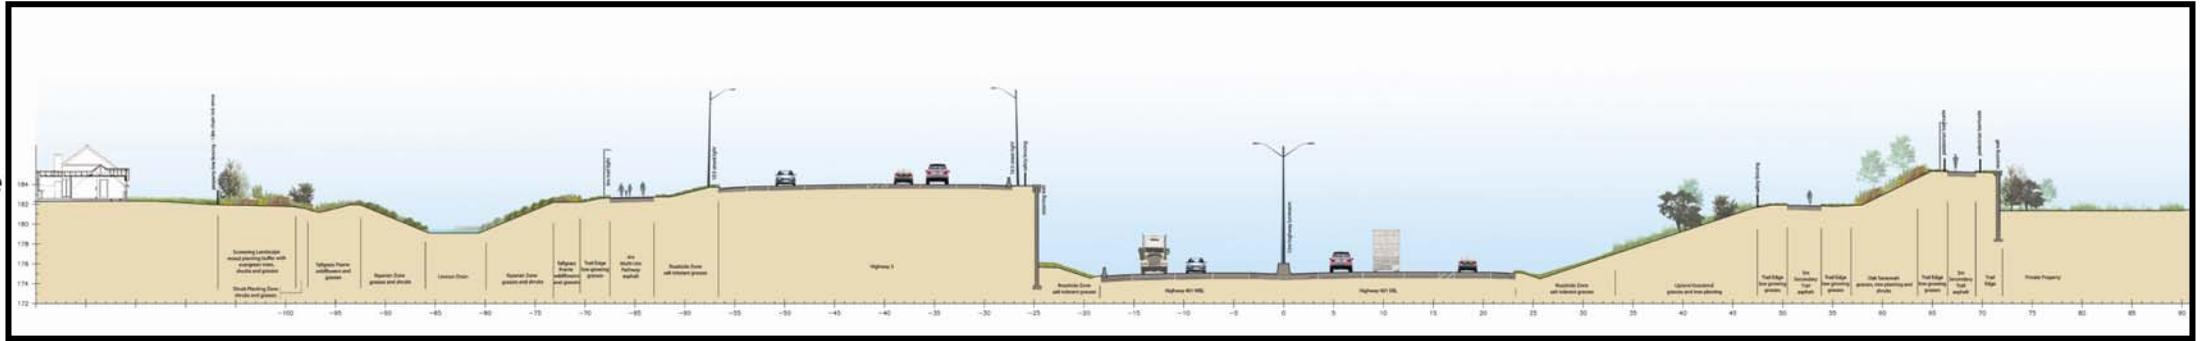

Who can I contact if I have a question or concern?

It is one of the project team's goals to work with the community throughout the construction of this project.

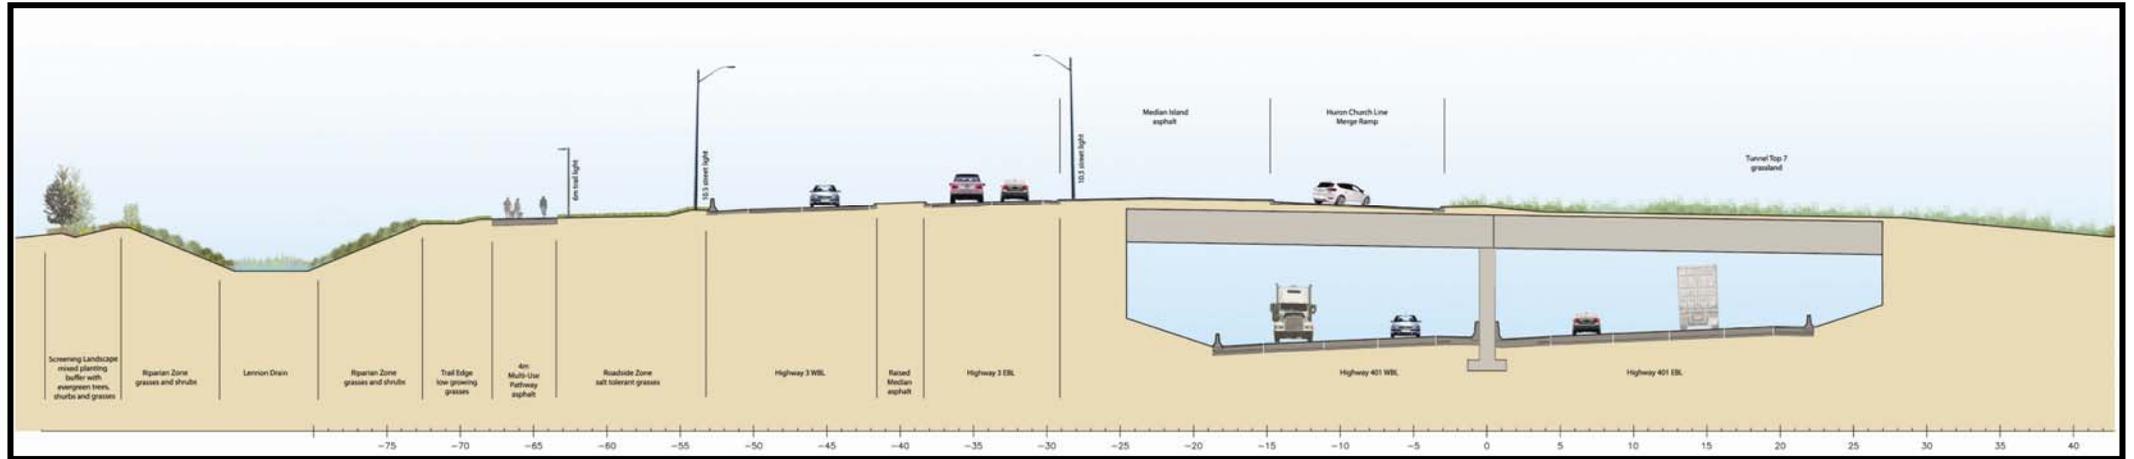

If you have any concerns regarding construction of the Parkway, please contact or visit the Windsor Essex Mobility Group's Public Liaison Office at 1-877-937-5929, 2187 Huron Church Road Suite 340, or wep-plo@wemg.ca.

Please visit www.weparkway.ca to learn more about the Windsor-Essex Parkway. Updates will be posted on Twitter (www.twitter.com/weparkway) and Facebook (www.facebook.com/weparkway) and photos and videos will be posted on Flickr (www.flickr.com/weparkway) and YouTube (www.youtube.com/weparkway).
