

# Public Information Open House

Wednesday, February 8, 2012  
2:00 p.m. - 8:00 p.m.  
Macedonian Community Centre  
5225 Howard Avenue, Windsor

The Windsor Essex Mobility Group is hosting the fifth Public Information Open House for the Windsor-Essex Parkway. Through our ongoing consultation you are sharing your ideas and we're listening. This is another opportunity to find out the latest information on this important project and provide feedback and suggestions on new project details.

Join us to learn more about:

**Parkway Elements:** Parkway grading; aesthetics and locations of pump stations, power distribution assemblies and retaining walls; removal of Highway 3 bridge where it crosses over Highway 401; details on the remaining tunnels (1, 4, 6, 8, 9 and 10a) and bridges (3, 4 and 5); proposed berm at Outer Drive; permanent ponds; and electrical distribution, illumination, ATMS and signalization.

**Environmental Details:** status of the Human Health Risk Assessment and update on the wetland compensation.

**Anticipated Road Closures and Construction of Diversions:** general information; public notification; proposed temporary closures of the Matchette Road on-ramp to E.C. Row Expressway, Cousineau Road, Outer Drive, South Talbot Road, Laurier Parkway and Howard Avenue and associated diversions including Diversion 10 (Cabana/Todd Lane), 11a and 11b (Geraedts Drive) and 14 (Sandwich Parkway).

**The Construction Experience:** schedule for upcoming construction and construction impact mitigation.

**General Update:** design responses to community input; winter maintenance; key community concerns and an update on pile driving.

**Wednesday, February 8, 2012, at the Macedonian Community Centre from 2:00 p.m. - 8:00 p.m.**

**General Presentation Times: 2:30 p.m. and 6:00 p.m.**

The project area has been divided into three geographic phases. Phase One is between Outer Drive and Geraedts Drive. Phase Two is between Geraedts Drive and Cabana Road. Phase Three is between Cabana Road and Ojibway Parkway. There will be area or phase specific breakout discussions held following each of the General Presentations (at approximately 3:00 p.m. and 6:30 p.m.). Residents are invited to participate in the smaller discussion groups and ask questions of the Construction Managers who will update the group on ongoing construction activities.

*Information collected at the Open House will be used in accordance with the Freedom of Information and Protection of Privacy Act and the Access to Information Act. With the exception of personal information, all comments become part of the public record.*

*The Public Information Open House will build upon the community consultation previously conducted through the Detroit River International Crossing (DRIC) study and the Public Information Open Houses held on March 9, May 18, July 13, and November 30, 2011. In accordance with Ontario Environmental Assessment Act requirements, a Design and Construction Report (DCR) will be prepared and made available for review. The DCR will document how the commitments and mitigation outlined in the Ontario Environmental Assessment Report and the Canadian Environmental Assessment Screening Report have been addressed. Notices advising of the availability of the DCR will be published in local newspapers and online.*
