

Public Information Open House

Wednesday, June 27, 2012
2:00 p.m. - 8:00 p.m.
Macedonian Community Centre
5225 Howard Avenue, Windsor

The Windsor Essex Mobility Group is hosting the sixth Public Information Open House for the Windsor-Essex Parkway. Through our ongoing consultation you are sharing your ideas and we're listening. This is your opportunity to find out the latest information on this important project and provide feedback and suggestions on new project details.

Join us to learn more about:

Parkway Elements including information on:

- o details pertaining to the remaining bridges being B-2 on the Parkway at Matchette Road, B-6 where the Parkway meets E. C. Row Expressway and B-12 where Howard Avenue crosses over the new Highway 3
- o update on pile driving
- o update on opening of diversions, the length of time that they will be in use and associated mitigation measures.

Environmental Details including information on the status of the Human Health Risk Assessment and an update on the Wetland Compensation.

Anticipated Traffic Staging and Road Closures including general information regarding:

- o the traffic staging for the reconstruction of the existing Highway 401 east of the project area
- o the closure of eastbound E. C. Row Expressway for construction of the embankment of Bridge 3
- o the closure of the west north/south ramp on eastbound E. C. Row Expressway for the tie-in at Bridge 6
- o traffic staging for the reconstruction of Ojibway Parkway
- o the closure of Cousineau Road.

The Construction Experience and what the public can expect and when it can expect it as well as what the project team is doing to mitigate construction impacts.

General Update including design responses to community input and key community concerns.

Wednesday, June 27, 2012, at the Macedonian Community Centre from 2:00 p.m. - 8:00 p.m.

General Presentation Times: 2:30 p.m. and 6:00 p.m.

The project area has been divided into three geographic phases. Phase One is between Outer Drive and Geraedts Drive, Phase Two is between Geraedts Drive and Cabana Road, and Phase Three is between Cabana Road and Ojibway Parkway. There will be area or phase specific breakout discussions held following each of the General Presentations (approximately 3:00 p.m. and 6:30 p.m.). Residents are invited to participate in the smaller discussion groups and ask questions of the Construction Managers and Landscape Designers who will update the group.

Information collected at the Open House will be used in accordance with the Freedom of Information and Protection of Privacy Act and the Access to Information Act. With the exception of personal information, all comments become part of the public record.

The Public Information Open House will build upon the community consultation previously conducted through the Detroit River International Crossing (DRIC) study and the Public Information Open Houses held on March 9, May 18, July 13, and November 30, 2011 and February 8, 2012. In accordance with Ontario Environmental Assessment Act requirements, two Design and Construction Reports (DCRs) 7 and 8 will be prepared and made available for review. The DCRs will document how the commitments and mitigation outlined in the Ontario Environmental Assessment Report and the Canadian Environmental Assessment Screening Report have been addressed. Notices advising of the availability of the DCR will be published in local newspapers and online.
