

NOTICE OF DESIGN AND CONSTRUCTION REPORT #4 REVIEW OPPORTUNITY

The Windsor-Essex Parkway: Fourth Phase of Road Construction

Cahill and Lennon Drain Realignments and Submerged Culverts

The fourth Design and Construction Report (DCR) for the Windsor-Essex Parkway documents the proposed works at Cahill and Lennon Drains, associated mitigation measures and how public input received to date and commitments outlined in the Detroit River International Crossing Provincial Environmental Assessment Report (December 2008) and the associated Conditions of Approval (August 2009) have been addressed. The DCR is available for a 34-day public review period starting **Thursday, December 22, 2011, at 2:00 p.m.** at the locations listed below, as well as online at www.weparkway.ca.

PROPOSED WORKS

The works in Design and Construction Report #4 include:

- Cahill Drain and Lennon Drain realignment and submerged culverts
- Vegetation removal, top soil stripping and grading throughout the realignment area
- Lennon Drain fish habitat compensation pond
- Construction of culvert at Geraedts Drive.

Although listed in an order, many of these activities will be occurring in parallel with one another. The detailed design for the remaining components of the Windsor-Essex Parkway will be addressed in future DCR's.

COMMENTS

Comments on this DCR can be provided by mail, email or fax, as noted in the contact information provided below, and may also be submitted through the project website at www.weparkway.ca. **All comments must be received no later than Wednesday, January 25, 2012, by 2:00 p.m.** Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act*. With the exception of any personal information, all comments will become part of the public record. Following completion of the 34-day review period, construction of the components outlined in this DCR will begin.
