

The Windsor-Essex Parkway

NOTICE OF DESIGN AND CONSTRUCTION REPORT #6 REVIEW OPPORTUNITY

The sixth Design and Construction Report (DCR) for the Windsor-Essex Parkway documents the proposed construction works along the corridor, associated mitigation measures and how public input received to date and commitments outlined in the Detroit River International Crossing Provincial Environmental Assessment Report (December 2008) and the associated Conditions of Approval (August 2009) have been addressed. The Design and Construction Report is available for a 30-day public review period starting **Tuesday, March 27, 2012**, at the locations listed below, as well as online at www.weparkway.ca.

PROPOSED WORKS

The works in Design and Construction Report #6 include:

- Parkway grading from Ojibway Parkway to 700 m west of North Talbot Road
- Construction details for the remaining tunnels: Spring Garden Tunnel, Pulford Tunnel, Todd Lane/Cabana Tunnel, Geraedts Tunnel, Cousineau Tunnel, Hearthwood Tunnel
- Details regarding design and construction for bridges (B-3, B-4 and B-5)
- Demolition of the Highway 3 bridge where it crosses over Highway 401
- Pump stations aesthetics and locations
- Installation and design of power distribution assemblies (PDAs) and retaining walls
- Temporary closure of the Matchette Road Eastbound On-Ramp to E.C. Row Expressway
- Anticipated temporary road closures including South Talbot Road and Howard Avenue
- Construction of traffic diversions at Cabana/Todd Lane, Geraedts Drive and Sandwich Parkway
- Construction of permanent stormwater management ponds
- Electrical distribution, illumination, advanced traffic management system (ATMS) and signalization
- Status of the Human Health Risk Assessment
- Wetland Compensation Plan

Although listed in an order, many of these activities will occur in parallel with one another. The detailed design for the remaining components of the Windsor-Essex Parkway will be addressed in future Design and Construction Reports.

COMMENTS

Comments on this Design and Construction Report can be provided by mail, email or fax, as noted in the contact information provided below, and may also be submitted through the project website at www.weparkway.ca. **All comments must be received no later than Wednesday, April 25, 2012, by 2:00 p.m.** Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act*. With the exception of any personal information, all comments will become part of the public record. Following completion of the 30-day review period, construction of the components outlined in this Design and Construction Report will begin.
